2022 PAX Champion Jared DeLong

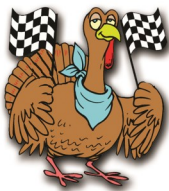

Heart of Glass

Jared DeLong is our PAX Champion for 2022. Driving his ES Class 1993 Mazda MX-5 Miata, he scored well all season against a stiff completion of great cars and great drivers. He has been an outstanding ambassador for our club and is someone we can all look up to. Congratulations Jared and thanks for all your hard work for your family, your community and your sport.

Winning is everything.
The only ones who remember you
when you come second are your
wife and your dog.

Sonoma Track Day

Club members Tim Burrus and Ron Garton recently attended the OnGrid driving event at Sonoma Raceway November 26th & 27th. Tim Burrus competed in the Time Attack event on Saturday, placing 3rd in the MOD class. Ron Garton and his intrepid Car Chief, Troy Udell, spent 2 days honing their track skills and sorting out some newly installed coilover shocks. It was cold in the morning but sunny all day with temperatures near 70 degrees.

Lemon Aid

Club members Ken Goldie, Nick LaPinta, Gerhy Foster and Ed Smith teamed up the weekend of December 3rd and 4th to compete in the 24 hours of Lemons at Sonoma Raceway in the hauntingly familiar Team Myota car. On Saturday the transmission lost 3rd gear at around 1:30pm. Club member Mara Green was found a replacement transmission at the track, quickly enabling the team to be back on track by 3:30pm. The crew still worked on repairs through the night and on Sunday started 88th and finished 50th overall out of the 126 cars in the race. Great job everyone!
