

## The Art of Driving in the Snow

Here in Humboldt, we are quite used to driving in wet conditions. Snow is another challenge in itself. It can be fun to drift your car in an open area, but local streets and highways are not the place to practice those skills. Take it easy on the throttle and brakes. Try not to jerk the steering wheel. Most of all, be safe and enjoy our occasional blasts of winter weather.

## February Meeting Notes

The Redwood Sports Car Club General Meeting was held at Babe's Pizza in Cutten on Wednesday, February 8th. A total of 12 members and guests were in attendance including club officers and board members. Club President Ken Goldie called the meeting to order at 6:30 pm. Club Treasurer Mara Green did not give the financial report due to moving and time constraints. Club Secretary Ron Garton reported the minutes of the January meeting. In Old Business, Ken Goldie reported that Humboldt County Public Works has been contacted to begin the application process for the 2023 Korbel Hill Climb event. The permit fee is \$235.00. Also, club member Tim Burrus contacted Green Diamond regarding a potential Rallycross site. In New Business, Loren Fisher reported that the timing scoreboard had been repaired. Loren also reported that SCCA has established a new class for electric vehicles "EVX". A PAX index has not yet been established. The club will use the "CAMS" index for scoring until the SCCA has established a new index. Ken Goldie won the raffle for a free autocross day. The meeting was adjourned at 7:30pm.

## KNOW SNOW! TOP TIPS FOR WINTER DRIVING

### SLIP AND SLIDE: TEST ROAD CONDITIONS FREQUENTLY

Periodically, check traction (available grip) when driving in challenging conditions. Road conditions can change drastically in a short period of time/distance in winter. Apply the brakes with moderate pressure to determine the available grip and modify your driving, if needed, to respond to ever-changing road conditions.

### GRIP IT GOOD!

It's best to avoid braking or acceleration when negotiating a turn.

- 1 Brake before the turn
- 2 Negotiate the turn
- 3 Accelerate after the turn

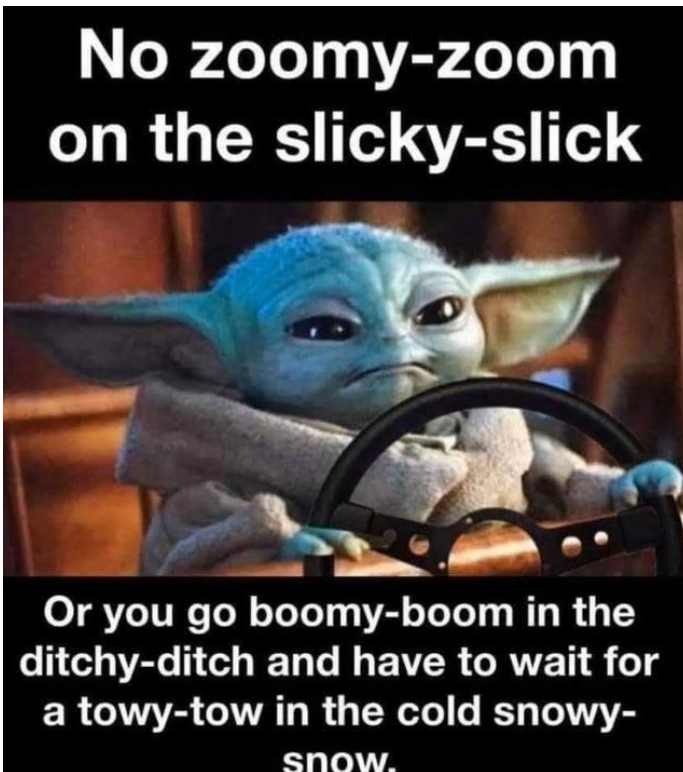

### YOU CRUISE, YOU LOSE

Avoid cruise control in wet, icy or snow conditions to maintain control of acceleration and deceleration at all times.
