Racing up the hill was the easy part. All the adversity and challenges the club faced in getting to that point, that is a whole other story. Actually it's many stories that include a forest fire, theft of signs and straw bales, and a rather dangerous confrontation with a belligerent member of the public. Through it all, our club members maintained their enthusiasm and composure when things looked bleak. Special thanks to Kenny Goldie for his outstanding leadership.

*Cari Hinsley received the Fred Champion Volunteer of the Year Award from last year's recipient Paula O'Shaughnessy*

"Racing is an escape from society. From symbols of status, and self-perception. A chance to just be. For everyone to just be, with each other."

- Erin Beresini

## Korbel Hillclimb Photos & Results

The 3rd Annual Korbel Hillclimb was held on July 22nd & 23rd on Maple Creek Road in Korbel just outside of Blue Lake, California. RSCC was the hosting club for the event which was sanctioned by Northwest Hillclimb Association. A total of 42 drivers, including many RSCC members, challenged the hill for 2 great days of racing action. First day racing was delayed a couple hours while fire crews raced up the hill to put out a pesky forest fire which was quickly contained. Club President Kenny Goldie was crowned King of the Hill and Queen of the Hill honors went to Tina Jordan.
